Community Passbook

Context: Individual

Focus: Comprehensive

You will meet with your Pastoral Coach twice a month and your Intercessor and Director once a month.

You are required to keep a record of all meetings that you have with your Pastoral Coach, Intercessor and Director. Your notes from each meeting as well as the initials of the person you are meeting with are required in order for the meeting to be counted as complete.

The Pastoral Coach and Intercessor will be communicating with us separately from your passbook, but it is essential that you keep an up-to-date record and do not miss any appointments for any reason. Missed appointments will be considered offenses and will be dealt with accordingly.
