Project “Team Identity”

Context: Team

Focus: Community

Part A:

Please give your team a name.

You may choose the name of a biblical character, place, doctrine or concept, etc. (anything from the Bible that represents you).

You must be able to explain your choice to the entire cohort.

You may also come up with a logo and/or mascot and/or slogan (song, poem, limerick, prophecy, etc.)

Part B:

Please describe the heart of your group. Your passion. Who you are. What you hope to accomplish. Your dreams. Your vision. Please sum this up in a single word or phrase.

Part C:

Please share all of the above with the entire cohort.
